SHARE YOUR PARK

The Share Your Park initiative encourages everyone to find the Wayne County park nearest them and share their own stories, this year and for years to come.

Did you get engaged at Crosswinds Marsh, did your furry friend enjoy our dog park in Hines park, enjoyed your first bike ride at Elizabeth Park?

Each month throughout the year, there will be one story selected for a commemorative prize.

RULES:

1. Share your photos and tag @WayneCountyParks and use #ShareYourPark #WCP100 hashtags to qualify
2. Be sure to include which park your photo was taken in.
3. Share your memory and the activity you did in the park.
4. Have fun!
